2, Short zoom-howto-courses for teacher colleaguse that they can join the digital life at the beginning of pandemic period.

2019
YEAR OF ARTS
1, Along our earlier projects, we started our art courses for different ages: painting, piano, guitar.
2, we helped resolve serious family conflicts by mediating institutional-family communication
3, institutional request to establish a local Hungarian language development department
4, Christmas concert with children

2018
PARENTS' YEAR
1, As a continue of our previous projects, we spent most of our time with parental counseling.
2, We launched our presentations on higher education opportunities, which we organized for parents at the cooperating universities to let them know what opportunities their children have.

2017
YEAR OF BIG NUMBERS
1,We started our Hungarian language development courses for adults too.
2, We started our demonstration lectures for parents: on health insurance, legal options, insurance, housing in Hungary.

2015
ECUDATION COMES TO FOCUS
1, Language and subject development for children coming to Hungary

Since 2004, Ediktum Foundation has been continuously supporting the lives of Hungarian foreigners, Hungarian people and institutions come into contact with them.
